You're making me crazy  
Crazy, crazy for you, crazy  
Crazy, crazy for you, crazy

Boy, you're making me  
Boy, you're making me  
Boy, you're making me crazy

I remember when I saw your face  
For the first time, babe  
And when you stared at me  
You turn me on

And now you got me going crazy  
(You're making me crazy)  
You got me  
(You're making me crazy for you)

Oh, you got me crazy for you  
(You're making me crazy)  
You got me going out of my mind  
(You're making me crazy for you)  
Oh, you're making me

The way you're  
Making sweet love to me  
It's all right, cause you make  
Me feel, oh, so good inside

I never knew that  
I could feel this way  
The way you turn me on  
And now you got me going crazy

(You're making me crazy)  
(You're making me crazy for you)  
Oh, you got me crazy for you  
(You're making me crazy)  
I never knew that I could feel this way  
(You're making me crazy for you)

Oh, you're making me crazy

(You're making me crazy)  
(You're making me crazy for you)  
Boy, you know you got me  
Going out of my mind

(You're making me crazy) oh, oh  
(You're making me crazy for you)  
I don't know what I'm gonna do, baby

Crazy

Boy, you're driving me out of mind  
And you know that you're  
Making me crazy for you

Ain't no doubt about the way I feel  
There's no doubt about it  
The way that you're making me feel  
It's true, uh uh uh

Baby, you know you got me going  
(You're making me crazy) crazy  
(You're making me crazy for you)

You know you got me going  
(You're making me crazy)  
You're making me crazy  
(You're making me crazy for you)  
Come on, come on, come on, baby

(You're making me crazy)  
You got me going out of my mind  
(You're making me crazy for you)

(Etc til end)
