"Armageddon Soul"

Servant of the one only one I can see it in your eyes
they tell it so dramatic,
Hold it like a gun make it last keep it flowing waste no
time you've got to keep on moving along,
With arms made of steel how can you feel? Life so
surreal just keep up,
Oh you Armageddon soul,
Breathe just let it go,
Pieces of a war in the mind,

I could use a little break from all this makes me cry,
Don't know what to do where to hide maybe I could
drive away they tell me keep on moving along.
It was all a waste of time,
You were under their control, look at me I am the truth,
Raise your arms and you just speak up,
Don't you speak up.
