Senseless into pleasure
Nothing forever
The sooner you fall
You know who you are

I had a spleen within
A case of pure pleasure
It's going too far
Going too far

Can't escape from where I've been
The deeper I fall into the exit swings
Can't escape from where I've been
Desperately seeking for a brand new start

I'm shaving off my skin
Just to feel better
I'm breaking the waves
To get through the day

Perception is a talent
I'll never wanted
I'll fade into calm
To save me from harm

Can't escape from where I've been
The deeper I fall into the exit swings
Can't escape from where I've been
Desperately seeking for a way to spin

And I'm falling free from sin
Future's starving in my hands
Must be reduced to what I've been
And I start all over again
