There'll be no strings to bind you hands
Not if my love can bind your heart
And there's no need to take a stand
For it was I who chose to start

I see no need to take me home
I'm old enough to face the dawn

Just call me angel of the morning, angel
Just touch my cheek before you leave me, baby
Just call me angel of the morning, angel
Then slowly turn away from me, yeah

Maybe the sun's light will be dim
But it won't matter anyhow
If mornings echo says we've sinned
Well, it's what I wanted now

And if we're victims of the night
I won't be blinded by the light

Just call me angel of the morning, angel
Just touch my cheek before you leave me, baby
Just call me angel of the morning, angel
Just touch my cheek before you leave me, yeah

Just call me angel of the morning, angel
Just touch my cheek before you leave me, baby
Just call me angel of the morning, angel
Then slowly turn away from me

Just call me angel
Just call me angel
