Wish you were here

Wish you were here
Me oh my contry man
Wish you were here
I wish you were here
Don't you know the snow is getting colder
And i miss you like hell
And i'm feeling blue(2x)

Ive got feelings for you
Do you still feel the same
From the first time
I laid my eyes on you
I felt joy of livin
I saw heaven in your eyes
In your eyes

Wish you were here
Me oh my contry man
Wish you were here
I wish you were here
Don't you know the snow is getting colder
And i miss you like hell
And i'm feeling blue(2x)

I miss your laugh
I miss your smile
I miss... everything about you
Every second's like a minute
Every minute's like a day
When you're far away

The snow is getting colder baby
And i wish you were here
A battlefeild of love and fear
And i wish you were here

I've got feelings for you
From the first time i laid my eyes on you

Wish you were here
Me oh my contry man
Wish you were here
I wish you were here
Don't you know the snow is getting colder
And i miss you like hell
And i'm feeling blue

I wish you were here(repeat)
