...War...

The satanic machine  
Marches inside of the skies  
The killer machine running upon the fire  
Kill my enemies as a panzer of Hell  
The Christian's faith is going down  
Blood from the head, from the lamb  
Destructive power of Evil

Army of Satan  
Marches across the storm  
The black warriors show your hate  
Virgin statues are going to cry blood  
When the azure becomes black-purple  
Fire, blood, and death are (for us) pleasure  
Killer machine, attack, attack, and attack

999 the eternal war  
666 the eternal victory  
999 Christian's fall  
666 Satan's victory

Celestial war between Hell and Heaven  
Traces of devastation into the black hearts  
Death and more death came from darkness  
Shadows attack the celestial temple

The altars of Christ will turn into dust  
The fire burns the "beautiful" (now) dead sky  
Pain and more pain to the Christianity  
Killer machine, attack, attack, and attack

Army of Satan  
Marches across the storm  
The black warriors show your hate  
The Christian's faith is going down  
Virgin statues are going to cry blood  
Fire, blood, and death are (for us) pleasure  
Satanic machine, destroy, destroy, and destroy

999 the eternal war

666 the eternal victory  
999 Christian's fall  
666 Satan's victory
