Olde Mill Inn

Down at the Olde Mill Inn
We'll laugh and dance and sing
We'll drink all day and Bill will pay
Down at the Olde Mill Inn

Down at the Olde Mill Inn
The ships are sailing in,
We'll drink a toast with Judy our host
Down at the Olde Mill Inn

* The moon is full, the bar is too, when we come to
town
We'll have a beer, cause Jerry's here, so spread the
cheer around....

Down at the Olde Mill Inn
The bartenders name is Kim
And with a smile she'll serve in style
Down at the Olde Mill Inn...

Down at the Olde Mill Inn
We'll laugh and dance and sing
We'll drink all day and Bill will pay
Down at the Olde Mill Inn

Down at the Olde Mill Inn
We'll laugh and dance and sing
We'll drink and play the hours away...
Down at the Olde Mill Inn..
