She's been living in a basement
Down by the railroad tracks
Her dreams have all left the station
The dreams have all turned their backs
So she lies in bed and remembers
When the moon it flew so high
With a spoon and a needle
She never has to leave the sky

Superman is killing himself tonight
Hollywise Hollywise
I'm sellin' my soul to be in the spotlight
Hollywise Hollywise

Hollywise

He's been living with his mama
Since the market crashed
His wife ran out with the doctor
When he ran out on cash
So now one hand holds a bottle
The other cradles a.44
Two more shots and it's over
He just couldn't hang on no more

Superman is killing himself tonight
Hollywise Hollywise
I'm sellin' my soul to be in the spotlight
Hollywise Hollywise

Hollywise

Superman is killing himself tonight
Hollywise Hollywise
I'm sellin' my soul to be in the spotlight
Hollywise Hollywise

Superman is killing himself
Superman is killing himself tonight
Superman is killing himself
But Superman won't kill himself tonight
