You don't even know me, you can't even see me
Friendly of the daylight, now I'm back, now I'm back
again
Don't be scared baby, can't you see I'm thirsty?
Friends of the daylight, let me drink, let me drink my
friend
Don't be scared baby, don't be afraid
Friends of the daylight, and I'm back and I'm back
again

Never goin' nowhere, you can't run from me
Day and night baby, can I drink, can I drink again?
Yeah, yeah, yeah, yeah, yeah
Can we drink, can we drink, my friend?
Don't be scared baby, don't be scared, baby
Can't you see I'm thirsty?
And I'm back and I'm back, again

What, first things first, man, you can't fight the curse
You can't call the doctor, you can't call the nurse
You got that Louie logo on the side of your purse
And those tight mint sixties, about to make me burst
I can't think, let me sink into your jugular
Come have a drink, with the thirsty love guzzler

From the dark side, baby, don't be afraid
You can't fight the thirst, nor escape the blade
I'm been scopin' ya, hopin' you be open to
Take a sip, of the potion 'cuz it's overdue
It's not your ordinary, it's a special brew
In the heat of the night, I will rescue you

Never goin' nowhere, you can't run from me
Day and night baby, can I drink, can I drink again?
Yeah, yeah, yeah, yeah, yeah
Can we drink, can we drink, my friend?
Don't be scared baby, don't be scared, baby
Can't you see I'm thirsty?
And I'm back and I'm back, again

Allow me a parting gift, to remember this
Sooner, no later, the thirst, always drink

Yeah, yeah, and I'm back, and I'm back again
Live, live, back again
