She loves the finer things  
Gold and diamond rings  
Give her the moon but wouldn't be enough  
She wants the perfect man  
Has a perfect plan  
And nothing I do could ever live up

But I'm falling  
Alright  
And she's falling  
Alright  
We're heading for perfect disaster  
And I'm falling  
All night  
And she's falling  
Tonight  
But wait till the morning

I know that I hate her  
Even though I love her  
She's making my heart hurt  
I cant describe, describe...  
How I hate her  
Everytime I'm with her  
All I do is want her  
Why do I even try

I give her all I've got to give  
But she makes it so hard to live  
And I do everything I can  
But she wants, she wants, she wants  
She wants a perfect man

oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

My love's the simple kind  
But its hard to find  
With anyone else  
They would get in line  
But she's all that I can see  
Something's wrong with me  
Cause all that she wants

I could never be

But I'm falling  
Alright  
And she's falling  
Alright  
We're heading for perfect disaster  
And I'm falling  
All night  
And she's falling  
Tonight  
But wait till the morning

I know that I hate her

Even though I love her  
She's making my heart hurt  
I cant describe, describe  
How I hate her  
Every time I'm with her  
All I do is want her  
Why do I even try

I give her all I've got to give  
But she makes it so hard to live  
And I'd do everything I can  
But she wants, she wants, she wants,  
She wants a perfect man

Everything about her  
Every time around her  
She's in control  
Like it don't matter  
Just another body swinging for show  
I'm underrated, rehabilitated, ready to go  
But cant she understand that I know, I know

But I'm falling  
Alright  
And she's falling  
Alright  
We're heading for perfect disaster  
And I'm falling  
All night  
And she's falling  
Tonight  
But wait till the morning

I know that I hate her  
Even though I love her  
She's making my heart hurt

I cant describe, describe  
How I hate her  
Every time I'm with her  
All I do is want her  
Why do I even try

I give her all I've got to give  
But she makes it so hard to live  
And I'd do everything I can  
But she wants, she wants, she wants,  
She wants a perfect man

oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh, yeah
