I walked along the avenue
I never thought I'd meet a girl like you
Meet a girl like you
With auburn hair and tawny eyes
The kind of eyes that hypnotize me through
You hypnotize me through

And I ran
I just ran
I ran so far away
I just ran
I ran all night and day
And I ran
I couldn't get away

I couldn't get away
I couldn't get away
I couldn't get away
I couldn't get away
I couldn't get away

I couldn't get away
I couldn't get away
I couldn't
I couldn't
I couldn't get away

Reached out a hand to touch your face
You're slowly disappearin' from my view
Appearin' from my view
Reached out a hand to try again
I'm floating in a beam of light with you
A beam of light with you

And I ran
I ran so far away
I just ran
I ran all night and day

And I ran
I ran so far away

I just ran
I ran all night and day
And I ran
I ran so far away
I just ran
I couldn't get away

I couldn't get away
I couldn't get away
