"Our Rapture Of Love"

Last night I dreamt of your hands in mine
Your touch made me feel alive
You told me that I was your favorite mistake
Our destinies intertwined

And it felt so real
Seeing our love
It 's just begun
And it makes me feel
So warm I could melt inside

[Chorus:]

Hold me close
Hold me deep inside your heart, now
Dream with me
Close your eyes and you will see
Our rapture of love

Our rapture of love

I woke this morning your hand in mine
And gazed into your eyes
You smiled so coy and you moved in slowly
A kiss to stop all time

And this feels so real
Seeing our love
It's just begun
And it makes me feel
So warm I could melt inside

[Chorus:]

Hold me close
Hold me deep inside your heart, now
Dream with me
Close your eyes and you will see
Our rapture of love

[Bridge: x2]

Is this real?

Have I found my love?
This is real.
I found my love.

[Chorus: x2]

Hold me close
Hold me deep inside your heart
Now, Dream with me close your eyes and you will see
Our rapture of love

Our rapture of love *[x4]*
