Earth is filled with the sweetest thing  
It is priceless and fills the air  
As my heart grows faint  
And my sight goes dim  
I Breathe it in

(For)

[Chorus]  
Gods love is  
Only the sweetest thing (ever)  
HIS unfailing love is  
Only the sweetest thing  
Never ending love is  
Only the sweetest thing

(Ever)  
Love, joy and peace meet in harmony  
Filling my soul with HIS pure life  
Grace and faith abounds  
And my will does fade  
So I let HIM in

The sweetest  
We will live in GOD for

TAG  
Breathe  
Live  
And Love  
In the sweetest thing

ONLY  
The sweetest thing

ONLY  
The sweetest thing  
EVER
