If I don't die I'll be hung in the middle  
It ain't right, I'd rather be wrong  
Then I'm on my knees,... spare me a little  
Then they... me down, I'll be coming home  
I've been too long on this lonely mountain  
Seasons change unlike my heart  
It's frozen still in the... summer  
Tonight I will be coming home  
Please wait for me I'll be coming home  
Would you pray for me  
I'll be coming home

... grow in the cold dark shadow  
Sun can't shine... over hill  
Days go by, and I'm one just knowing  
Keep my faith when time stands still  
Please wait for me, I'll be coming home  
Would you pray for me, would you pray for me  
I'll be coming home.
