I miss the mind.. of the wonderful..
Not even you..
I miss the mind(echoes)

Like a ghost that came from an old beginning
You heated up the freezing destiny
But I told myself I had the chance to live a better life
By loving someone new

We had a love, a future, we were honest
But my truth held so many little lies
Can turn the page, can rearrange, it's written in the
sand
And the tide is closing in

I miss the mind of the wonderful
I let the icy thoughts run through me
Cold, and no one knows

I keep the pain of a broken soul
Wounds that just won't heal
No one knows, not even you

(Higher vocal)
I miss the mind of the wonderful
I let the icy thoughts run through me
Cold, and no one knows

I keep the pain of a broken soul
Wounds that just won't heal
No one knows, not even you

ooh oh oh, ooh oh oh, ooh oh, oho oho
ooh oh oh, ooh oh oh, ooh oh oh, aoh...

ooh oh oh, ooh oh oh, ooh oh, oho oho...

I miss the mind of the wonderful
I let the icy thoughts run through me
Cold, and no one knows

I keep the pain of a broken soul
Wounds that just won't heal
No one knows, not even you
