Come closer and see  
See into the trees  
Find the girl  
While you can  
Come closer and see  
See into the dark  
Just follow your eyes  
Just follow your eyes

I hear her voice  
Calling my name  
The sound is deep  
In the dark  
I hear her voice  
And start to run  
Into the trees  
Into the trees

Into the trees

Suddenly I stop  
But I know it's too late  
I'm lost in a forest  
All alone  
The girl was never there  
It's always the same  
I'm running towards nothing  
Again and again and again
