Verse 1: How can this be, my heart was just awakened.
I couldn't see my life was forsaken.
But you said you cared for me,
You said you'd be there for me.

Chorus: I love you, have no fear.
I made you, and I'll be right here,
And I know you will.

Verse 2: You gave me life, and so much more.
I heard that knock in my heart and I opened the door
And now that I know the truth
I will spread the word.

Chorus:

Bridge: Sometimes it's hard to understand,
how much you love me.
Sometimes it's hard to fully grasp,
living for eternity, but then you said.
