aint no life at all
trapped in tiny room that's way to small
it's way to small.

That's when there's nothing on T.V.

yeah they'll be there, yeah they'll be there
to help me out, without a doubt
yeah they'll be there, yeah they'll be there

Verse 3: I used to be an o.k. guy,
now im a home fly.
So much to tell,
my room's my cell.

Pre-Chorus: 1X

Bridge: 'Cause it's so lame,
when no one knows your name.
and it's so sad that my life,
is so bad.
