Now I know the meaning
I'm ready!
This is the finest I can be
I am ready!
I trade now my crown for your kiss
Are you ready?
Let's put a record on, and dance the world

I am ready! I am ready for you!
Are you ready? Are you ready for me?

We are ready! We are ready for love!
Are you ready? Are you ready for it?

I'll take you to that special place
Where your sparkling beauty intensifies
And no living man can steal the skies
From the blue deep of your eyes

I am ready! I am ready for you!
Are you ready? Are you ready for me?
We are ready! We are ready for love!
Are you ready? Are you ready for it?

Now I know the meaning
I'm ready!
This is the finest I can be
I am ready!
I trade now my crown for your kiss
Are you ready?
Let's put a record on, and dance the world

Are you ready? I am ready for you!
We are ready! Are you ready for me?
I am ready! I am ready for you!
We are ready! Are you ready for it?
Are you ready? Are you ready for it?
Are you ready for me?
We are ready! We are ready! We are ready!
We are ready for love, love, love, love, love!
We are ready for love!
