We're the blasted mechanism empire
We're going full throttle
Get a grip
We're supersonic
So buckle up

Step in the fire of this fatal attraction
The opportunity comes once in a lifetime
Communication through a parallel dimension
Yeah feel the power of the blasted empire [2x]

Imagination
Revolution
Creation
Explosion

Murder, murder
Killer attitude
Murder, murder
Amplifying magnitude
Deep down on the ground
Feel the beat, killer sound
Running in and all around
It's the blasted empire

Step in
Running at
Shoulder to shoulder
With the heart beat, drum beat
Rythm on the basseline
Ragga moves on the groove
Blasted maneuvers
Hang on
Trust the mechanism's rewire

And so, we're moving
Moving with our own style
And we can groove them
Yeah, with the DJ playing
And we'll be dancing along
Be gone, don't you know

We're gonna take you high
Make all the troubles go
Yeah, we'll push it up for the same side
Prepare yourselves for the turn on the wheel of life [2x]

Step in the fire of this fatal attraction
The opportunity comes once in a lifetime
Communication through a parallel dimension
Yeah feel the power of the blasted empire

Step in
Running at
Shoulder to shoulder
With the heart beat, drum beat
Rythm on the basseline
Ragga moves on the groove
Blasted maneuvers
Hang on
Trust the mechanism's rewire
