Show me a reason...

I gave my eyes to your moon
I wanted to see no more
I gave my heart to your sun
I wanted to feel no more
They both laughed at me
I gave away my right to be
It doesn't bother me much
Now I'm unable to feel your touch

You're no solution for me
You're no solution for me

I drowned in your sea
It was an ocean of lust
I lost myself in your sand
You were unable to give me a hand

You're no solution for me

I gave my eyes to your moon
I gave my heart too your sun
Gave my eyes to your moon
You're no solution for me
You're no solution for me

Grabbed in your seat
It was an ocean of lust
I lost myself in your scent
You were unable to give me a hand

You're no solution for me
You're no solution for me
I gave my eyes to your moon
I gave my heart too your sun
Gave my eyes to your moon
You're no solution for me
You're no solution for me
Gave my eyes to your moon
Gave my heart too your sun
Gave my eyes to your moon

You're no solution for me
You're no solution for me

You're no solution for me
