Right  
now look into my eyes  
now look deep into my eyes  
and tell me what do you see

I  
I can't see you cry  
well just leave it behind  
I think you deserve much more than this  
you really are much more

Fame  
and the masquerade  
I've gotta take my faith  
got to fulfill the prophesy

Smile  
only for a while  
my tiny crocodile  
and let your lips caress your teeth

'Cause when the sun goes down  
you may be facing the/your end [4x]

Right  
now look in my eyes  
now look deep in my eyes  
and tell me what do you see

I  
I can't see you cry  
well just leave it behind  
I think you deserve much more than this

'Cause when the sun goes down  
you may be facing the/your end [4x]

Cronometronical  
very philosophical  
neo platonic love with  
human criterium

enter the mysterium  
center of the universe faith [3x]

'Cause when the sun goes down  
you may be facing the/your end [12x]
