Tell me why,
I love you like I do,
Tell me who,
Can stop my heart as much as you,

Tell me all your secrets and I'll tell you most of mine, they say nobody's perfect but that's really true this time,

I don't have the answers, I don't have a plan,

Mad about you baby, So help me understand,

What we do, You can whisper in my ear,

Where we go, Who knows what happens after here,

Let's take each other's hands, As we jump into the final frontier,

Mad about you baby, I'm mad about you...
