Oh, it's a town of fucking fantasy,  
Wish i went to ucb  
Cause there are thirty thousand stupid kids and they're  
all brain washed into what they see  
It's a college never-never land.  
Dropping acid and starting bands,  
Super liberal hypocrites, what the hells this hippie shit?  
Berkely is my baby sparkling nice and clean. if it's such  
a mellow place, why do i feel so mean?  
Oh, berkeley is my baby and i wanna kill it  
Berkeley is my baby and i wanna kill it  
Hanging out up telegraph, your waste of money just  
makes me laugh.  
All the stores are just waiting for you to buy their  
sweaters and drink their brew.  
There's a double dose if police to herd the homeless  
off the streets.  
Cops and schools work hand in hand to wipe the  
deviants from the land.  
Berkeley is my baby but i should've aborted it.  
Had some doubts in the waiting room but now im stuck  
with it.  
Oh, berkeley is my baby and i wanna kill it, berkeley is  
my baby and i wanna kill it.  
Berkely is my baby but i shouldve aborted it.
