"Homemade Speed"

Do you get what you want?
Do you get what you need?
Your mamma buys you drugs and makes you homade
speed.
You need homemade speed.
She cooks it in the garage she hetas it up just right
When she chops you down your line you'll be up all
night.
You need homade speed.
Well be chopping lines till our noses bleed
Weve got no more sinuses because of homemade
speed.
You need homemade speed.
Do you get what you want?
Do you get what you need?
Your mamma buys me drugs and makes me homade
speed.
