[Music: M. Lybecker - Words: P. Mesnickow]

And so the day went  
We had our time  
Now we met at the park in July  
I took your hand and held it high  
I dreamt that this love  
Could be undone

We shared our feelings  
We had our moments  
Maybe you were the one  
No love can ever have a place in me  
I'm closing in  
On myself

Don't let this world  
Tear you apart  
In these moments of love  
No you won't be there  
To see yourself  
In these moments of hate

And so the day went  
We had our days  
Now we were at the park in July  
You took my heart and held it high  
I thought that this love  
Could now be done

And so the night went  
The moon was full  
Now we slept at the park in July  
We took our lives and nailed them to the ground  
I knew that this life  
Could now be gone

Don't let this world  
Tear you apart  
In these moments of love  
No you won't be there  
To see yourself

In these moments of hate
