I'll write it down for you,
All that I've lost
I'm collecting my thoughts
And some pencil and paper will do.

Chorus:
If you're not listening now,
If you're not listening now,
I'll write it down.
I'll write it down.

I'll sing a song for you.
This my confession,
You are my obsession
And nothing else will do.

(Chorus)

And all of the door have been locked
And the world is sleeping in.
I think I've had quite enough of this.
The time has come for it to end.
We'll live again.

So here's a envelope addressed to you.
I hope it has a chance of getting through.

(Chorus)

So here's a envelope addressed to you.
(I'll write it down.)
I hope it has a chance of getting through.
(I'll write it down.)
