Now is there any chance
That I can find romance?
Like we had back then
Oh I want it again

You said you'd hold on to me
You always wanted for it to be
Oh oh
You said you'd never let
So now I want you to know

That I can't stand it
I am sorry
I know I walked out on you
What's wrong with me
I just can't figure it out
No motivation to change
Since I fell out
So is there any chance
That I can make amends
For what I've become
I know you are the one

You said you'd hold on to me
You always wanted for it to be
Oh oh

You said you'd never let
So now I want you to know

That I can't stand it
I am sorry
I know I walked out on you

And I
I been hopin' this ain't hopeless
I been dreamin' that you know
This much is true
I'm still in love

And I
I been dreamin' that this thing

Won't lose it's meaning
Tell me what I've got to do
I'm so in love

What's wrong with me?
I've just been laying around
Or should it be like it was before I fell out?
