Get up, get up, get out, yeah  
Get up, get up, get out, yeah

Bring it back just one more time  
I hope that you might find  
A way to see more clearly now

Complacent you've been paralyzed  
Ambitions all run dry  
So bring it on back, you gotta get back  
Bring it on back, now

Get up, get up, get out, yeah  
Get up, get up, get out, yeah

So lift your head up, hold it high  
You have got to try  
To bring it on back, you gotta get it back  
Bring it on back, now

Get up, get up, get out, yeah  
Get up, get up, get out, yeah  
Get up, get up, get out, yeah  
Get up, get up, get out, yeah

Get up, get up, get out, yeah  
Get up, get up, get out, yeah  
Get up, get up, get out, yeah  
Get up, get up, get out, yeah

So bring it back just one more  
Bring it back just one more  
Bring it back just one more time  
Bring it back just one more  
Bring it back just one more  
Bring it back just one more time
