Girlfriend in a coma, I know, I know, it's serious
Girlfriend in a coma, I know, I know, it's really serious
There were times when I could have murdered her
But you know, I would hate anything to happen to her

No, I don't wanna see her
Do you really think she'll pull through?
Do you really think she'll pull through?
Ohh, really think she'll pull through?

Girlfriend in a coma, I know, I know, it's serious
My, my, my, my, my, my baby, goodbye
There were times when I could have strangled her
But you know, I would hate anything to happen to her

Would you please let me see her?
Do you really think she'll pull through?
Do you really think she'll pull through?
Do you really think she'll pull through?

Let me whisper my last goodbyes
I know, it's serious
My, my, my, my, my, my baby, goodbye
My, my, my, my, my, my baby, goodbye
My, my, my, my, my, my baby, goodbye

Let me whisper my last goodbyes
I know, it's serious
