"Sufficient"

And just to taste forgiveness
To taste Your mercy
on my lips. I long
To know contentment
Burdens lifted
You promised it
Let it reach my heart
Please let it reach my heart
So I'll embrace forgiveness
It's the greatest gift that I have found
And just at the right time
Your hand of mercy
Reaches Down
Hallelujah, You are sufficient
Hallelujah, You are sufficient

And I will sing at the top of my lungs
I will dance even if I'm the only one
And I hope that we'll never be apart
And I will sing, and I hope it heals my heart
Yeah I hope it heals my heart

How did I get here? Save me from this
How did I get here? Won't you save me from this
How did I get here? Save me from this
How did I get here? Won't you save me from this
Save me, won't you save me
Save me from this from this
Won't you save me, save me

Cause I'm at the bottom
I'm at the bottom
I'm at the bottom of it all
So won't you save me?

Not knocked out
Not knocked out
Not knocked out

Save me from this
Won't you save me?
Won't you save me?

Jesus, save me

I'm at the bottom of it all
I'm at the bottom

It is well, it is well
It is well with my soul
Save me

Jesus, name above
Jesus
