I must've drove this street a millions  
At least a thousand times before  
Its always beautiful in the fall time  
To walk the streets of baltimore

And you say that things would stay the same  
But i know i'm gonna miss the changing of the leaves  
this year  
And i know i'm gonna make it back there  
As soon as i find myself

I use to fall asleep at double rock without a penny to my  
name  
That's what made me dream my dreams  
Because i had everything to give

And you say that things would stay the same  
But i know i'm gonna miss the changing of the leaves  
this year  
And i know i'm gonna make it back there  
As soon as i find myself

Soon as i find myself  
I'm gonna make it back there  
But i know i'm gonna miss the changing of the leaves  
this year  
And i know i'm gonna make it back there  
As soon as i find myself

And i know i'm gonna miss the changing of the leaves  
this year  
And i know i'm gonna make it back there  
As soon as i find myself
