Well listen here girls, I'm telling you now.
They call me lovin' Dan.
I'll rock 'em, roll 'em all night long
I'm a 60 minute man.

And if you don't believe I'm all I say,
Come up and take my hand.
As soon as I leave you go you'll cry
"Oh Yeah, he's a sixty Minute Man!"

There'll be 15 minutes of kissin',
And then you holler "Oh please don't stop!"
There'll be 15 minutes of teasin'
And 15 minutes of pleasin'
And 15 minutes of blowin' my top! MOP MOP MOP!

Well if your man ain't treatin' you right
Come up and see your Dan.
I'll rock 'em, roll 'em all night long
I'm a 60 minute man.

60 (Minute Man)
Well they call me (lovin' Dan)
I'll rock 'em, roll 'em all night long
I'm a 60 minute man.

Repeat

Repeat

Well if your man ain't treatin' you right
Come up and see your Dan.
I'll rock 'em, roll 'em all night long
I'm a 60 minute man.
Oh yeah! 60 Minute,
Rock'em, roll'em, rammin', jammin' all night long
I'm a 60 Minute Man
