I leave from softball practice everynight  
It's getting dark but the Golden Arches light up the way  
I turn the corner at the traffic light  
I count my money then i rehearse what i'm gonna say  
I'd like an order of fries  
A Quarter pounder with cheese  
I love the light in your eyes  
Will you go out with me please?

[Chorus]

I am in love with the MacDonald's girl  
She has a smile of innocence  
So soft tender and warm  
I am in love with the MacDonald's girl  
She is an angel in a polyster uniform  
She doesn't try to impress anyone  
She doesn't act real tough like all the other girls that I  
know  
She doesn't treat me like a simpleton  
She's not afraid to be the only other virgin I know  
And when my hamburger's cold  
I get up ready to go  
She's only 16 years old  
And i'm in love with her so

[Chorus]

And as i head for the door  
The movement catches her eye  
My heart begins to soar  
She smiles and waves goodbye  
Chorus  
She is an angel in a polyster uniform x2
