"McDonald's Girl"

I am in love with the McDonald's girl
She has a smile of innocence (oh, so tender and warm)
Oh, I am in love with the McDonald's girl
She is an angel in the polyester uniform

I leave from softball practice every night
It's getting dark, but the "Golden Arches" light up the
way
I turn the corner at the traffic light
I count my money, and then I rehearse what I'm gonna
say
"I'd like an order of fries, a Quarter Pounder with
cheese
I love the light in your eyes, will you go out with me
please?"

I am in love with the McDonald's girl
She has a smile of innocence (oh, so tender and warm)
Oh, I am in love with the McDonald's girl
She is an angel in the polyester uniform

She doesn't try to impress anyone
She doesn't try her tough like all the girls that I know
She don't treat me like a simpleton
I wanna say how I feel if I could just let go
And when my hamburger's cold, I get up ready to go
She's only sixteen years old, and I'm in love with her
soul

I am in love with the McDonald's girl
She has a smile of innocence (oh, so tender and warm)
Oh, I am in love with the McDonald's girl (McDonald's
girl)
She is an angel in the polyester uniform
She is an angel in the polyester uniform

There she stands behind the register
She's taking orders from the Saddle River Little League
If they knew how much I wanted her
Their homeroom teachers would have to send them
home for a week

And then I head through the door, the movement
catches her eye
My heart begins to soar, she smiles and waves good-
bye
Good-bye (GOOD-BYE!)

I am in love with the McDonald's girl (ooh baby)
She has a smile of innocence (oh, so tender and warm)
Oh, I am in love with the McDonald's girl (McDonald's
girl)
She is an angel in the polyester uniform
She is an angel in the polyester uniform
She is an angel in the polyester uniform (ooh yeah)

Oh, I am in love with the McDonald's girl
Oh, I am in love with the McDonald's girl (McDonald's
girl)
Oh, I am in love with the McDonald's girl (tender and
warm)
Oh, I am in love with the McDonald's girl (McDonald's
girl)
Oh, I am in love with the McDonald's girl
Oh, I am in love with the McDonald's girl
