We're not living with a sincere heart or a sure faith You give an inch He'll take a mile You give an inch He'll take a mile Quit remembering the deceased you Quit Living the deceased you Bring back new life With a thousand candles in the city Bring back new life With a thousand candles burning Bring back new life With a thousand candles While at the mirror Your reflection needs to show Not One but Two Death is destroyed forever in Victory We built this world on fashion We built this world on fashion Death is our Victory Not our misery Death is destroyed forever in Victory
