This is a tragedy
Lock arms and run
For the hills of Salvation
The Flesh is still getting Sacrificed

Do me a favor lay down the law
Do me a favor, not once but forever
Law down the law Do me a favor
Not once but forever Lay down the law
Lay down the law, Now once but forever
Lay down the Law...

Lord Father God,
I wanna run
But they are begging me to stay
They can't hold me back

Is there a mad man
Is there a mad man inside me

Here I am lying at your feet
I know now how to live
It's the only way to get there

No man may come to the Father
But through me

Is there anger in your heart
Are you mad Family bear
Is this burden to hard to bare
Are you anchored down
Your Foundation been crushed
Your Life is coming
Are you mad at God
Don't be mad at your Father

Is there a mad man
Is there a mad man inside me
