Searching for a blessing Lord
My Mother, My Father, My Friends
Searching for a blessing Lord
A Blessing Lord

Don't take the world over Him
Don't take the world over Him
I am a Follower who is Paralyzed in Fear
I want to offer Salvation

Spirit convict me of my Passivity
Spirit convict me of my Passivity

The Future... Remains... In Me
The Future... Remains... In Me
The Future... Remains... In Me
The Future Remains

I'll prove to you my progress by
The scars are visible, but not comparable
I'll prove to you my progress by
The scars being visible, but not comparable

MESSIAH!!!
Open your Kingdom up
Open
Open your Kingdom up

Through our Tribulations we need to find Peace

If I pass before you
I pray that my influence
Will allow me to see you Someday
I want to see you Someday
