They're Eager to do Evil And are quick to kill  
It is useless to spread out a net Right where the  
Birds can see it But Sinners will fall into their traps  
They will only catch themselves For if we died with him  
We shall also live with him If we endure We shall reign  
with him If we deny him He also will deny us If we are  
faithless  
He remains faithful He cannot deny himself The author  
and finisher of our faith Suffered from the metal  
stakes From the metal stakes Where did she go  
Invisible Only Gods eyes can see her Live in Ignorance  
Quit rejecting the light Walk by faith  
Not by sight sick of lies All the time Everything was lies  
Right to our face You were being fake What will be  
missing in heaven It better not be you What will be  
missing in heaven  
It better not be YOU Held your hand out He paid no  
attention.
