I heard the news this morning  
It took my breath away  
I never seen the warnings  
Can't live my life this way

I just need your love  
Each and every day  
Can't hold on without you

Been three weeks since I held you  
I'm many miles away  
Oh, baby, what you doing  
Can't face another day

I just need your love  
Each and every day  
Can't hold on without you

As I understand  
You've been walking hand in hand  
With a heartbreaker from the past  
Look into his eyes, dear  
He's tearing us apart  
It means so much to me  
It's so simple can't you see  
That I'm dying here on my own  
I'm so far from you, babe  
There's nothing I can do

I heard the news this morning  
It took my breath away

As I understand  
You've been walking hand in hand  
With a heartbreaker from the past  
Look into his eyes, dear  
He's tearing us apart  
It means so much to me  
It's so simple can't you see  
That I'm dying here on my own  
I'm so far from you, babe

There's nothing I can do

You're a heartbreaker

Heartbreaker

You're a heartbreaker

Heartbreaker

You're a heartbreaker

Heartbreaker

You're a heartbreaker
