Just a young girl
Imagine this
She made me shake inside with
Her first kiss
No illusions
Made it clear
She found another friend when
She whispered in my ear
She said
I am the only one
And you've been hungry to see
That if I
I am the only one
Can you really satisfy me
Took me over
To her room
Our bodies drenched in sweat and
Her perfume
Slipped her shoes off
And then her dress
Pulled me close and you can
Guess the rest
