

Balaam And The Angel **"On The Run"**

If you don't like the things you see
Baby that's tough
There's a part inside of me
That's had enough
If you think the way I'm looking
Is really strange
Then you ought to realise
It's time you changed
Sooner or later
I'm on the run
I put school behind me
Those things are done
I got something special
I'm having fun
The way things are looking
I can't go wrong
Everybody laughing at you
But it won't be long
Sooner or later
I'm on the run
