Worked all week stayed out of trouble
Walking straight not seeing double
Ooh it looked so easy
Then you came along and burst the bubble
I saw the monster
Creeping up on you
His eyes are looking greedy
Quite a lot like you
I've seen that look before now
Time after time
Another shot of this
And you'll feel fine
Two days of madness
Well it's been so long since I've been so gone
I was outta my head but having fun
Ooh you know that feeling
When you can't recall the things you done
