[Faraway voice; whisperish]

Jesus

Leave me alone.

I don't want to make a fool out of you.

Jesus

Leave me be

This pile of cocaine and this bottle of whiskey

[Chorus]

I'm in my only world

Not need nobody or nothing.

Just what's in front of me.

Just wanted to make you happy

Just wanted to set my, myself free

Now I'm trapped in this world in need

All this time I've been thinking

I'm not good enough

All this time I've been thinking

I can't stand this way

Now I feel like I'm superman.

And I need to stand up here

And I'm nothing you ever seen.

[Chorus]

I'm in my only world.

Don't need nobody or nothing

Just what's in front of me.

Just wanted to make you happy.

Just wanted to set my, myself free.

Now I'm trapped in this world in need.

[Faraway voice, whisperish]

Jesus

I'm all alone

Why did you have to do this to me?

Jesus

Save me now

Cause my fingers on the trigger and there's only one

way out,
Yeah

[Chorus]

I'm in my only world
Don't need nobody or nothing
Just what's in front of me
Just wanted to make you happy.
Just wanted to set my, myself free.
Now I'm trapped in this world of need.
