Say you can't never tell, what's on these women's mind  
Say you can't never tell, what's on these women's mind  
Hey, she may be huggin' and kissin' you, and quittin'  
you all the time

Say I went home this mornin', twixt 9.30 and 10  
Hey, hey, twixt 9.30 and 10  
Hey I met that woman's second man, right, right back  
in my den

So she's a dirty mistreater, and she drove me from her  
door  
She's a dirty mistreater, she drove me from her door  
Hey the good book says mama, you gotta reap just  
what you sow

Say some women is just like a dollar, dollar go from  
hand to hand  
Say some women is just like a dollar, dollar go from  
hand to hand  
Hey some of these lowdown women, they just run from  
man to man

Now you know my woman says she loves me, she been  
lovin' me all her life  
Say my woman says she loves me, she been lovin' me  
all her life  
Hey she met a second man on that corner, she told him  
that same lie twice
