Across the bridge, there's no more sorrow
Across the bridge, there's no more pain
The sun will shine across the river
And you'll never be unhappy again

I have lived a life of sin in this world I'm living in
I have done forbidden things I shouldn't do
I ask a friend along the way if he could tell me where to
stay
Where I could find real happiness and love that's true

Across the bridge, there's no more sorrow
Across the bridge, there's no more pain
The sun will shine across the river
And you'll never be unhappy again

Follow the footsteps of the King till you hear the voices
ring
They'll be singing out the glory of the land
The river Jordan will be new and the sound of trumpet
you will hear
And you'll behold the most precious place never known
to man

Across the bridge, there's no more sorrow
Across the bridge, there's no more sorrow
