And when my burden seems hard to bare  
And there is no one to help me share  
I just call on King Jesus  
And I know he'll surely hear  
You know He took my load away  
And I begin to say  
Just a little more faith and grace is all I need  
Jesus Is all I need

Well...  
That's all... that's all I need  
When I cannot see my way  
Ohhh.that's all... that's all I need  
To help me run the race  
That's all... all I need  
When I cannot see my way  
Just a little more faith & grace  
That's all I need... Jesus is all I need

You know That is the key to the kingdom  
You know faith can unlock the door  
I just call Him every morning  
The strength I need as I go  
Oh, He'll give you what you need  
Oh, If you'll only just believe  
Just a little more faith & grace  
All I need. Jesus is all I need.
