Well, I know I've been converted  
Do you, do you?  
Well, I know I've been converted  
Do you, do you?

Well, I know I made a change  
I ain't ashamed to call my Jesus' name  
I know I've been converted  
Do you, do you?

Well, when I was a sinner  
Lord, I tried to pray  
My words seemed to fail me  
And I didn't know what to say  
Well, I heard a voice came from Heaven  
Saying, ?I will show you the way?

Lord, I know I've been converted  
Do you, do you?  
I know I've been converted  
Do you, do you?  
Well, I know I've been converted  
Do you, do you?

You took my feet off  
The [Incomprehensible] clay  
Started me to running up  
The Kings highway

Lord, I know I've been converted  
Do you?  
Do you know I've been converted  
Do you, do you?  
Well, I know I've been converted  
Do you, do you?

Well, I know I made a change  
I ain't ashamed to call my Jesus' name  
Well, I know I've been converted  
Do you?
