Well, jesus will be here
Be here soon
He's gonna cover us up with leaves
With a blanket from the moon
With a promise and a vow
And a lullaby for my brow
Jesus gonna be here
Be here soon

Well I'm just gonna wait here
I don't have to shout
I have no reason and
I have no doubt
I'm gonna get myself
Unfurled from this mortal coiled up world
Because jesus gonna be here
Be here soon

I got to keep my eyes open
So I can see my lord
I'm gonna watch the horizon
For a brand new ford

I can hear him rolling on down the lane
I said hollywood be thy name
Jesus gonna be
Gonna be here soon
He blind ma
Well I've been faithful
And I've been so good
Except for drinking
But he new that I would
I'm gonna leave this place better
Than the way I found it was
And jesus gonna be here
Be here soon
