As I travel through this pilgrim land  
I have a Friend who walks with me  
He'll lead me safely through this sinking sand  
Out of Calvary, hey

This is my prayer everyday  
Lord, help me to do the best I can  
As I need Your light to help me through the night  
Blessed Jesus, hold my hand, hey

Jesus, hold my hand for I need You every hour  
Through this pilgrim land protect me, me by Thy power  
Hear my feeble plea, oh Lord, look down on me  
When I kneel in prayer, blessed Jesus, hold my hand

I need You right now, Lord, to hold my hand, oh, yeah

As I travel in Your light divine  
That I may see the blessed way  
Teach me that I may be wholly Thine  
And sing redemption's song one day

I'll be a soldier brave and true  
And firmly, Lord, I'll take a stand  
That I may go and daily meet the foe  
Blessed Jesus, hold my hand, hey

Jesus, hold my hand for I need You every hour  
Through this pilgrim land protect me, me by Thy power  
Hear my feeble plea, oh Lord, look down on me  
When I kneel in prayer, blessed Jesus, hold my hand  
When I kneel in prayer, blessed Jesus, hold my hand,  
hand
